The Directors  
Directorate of Animal Resources & Animal Health

**Sub:** Inviting the nominations for ICAR-DPR and MANAGE collaborative training program on “**Backyard Poultry Management**” for the livestock/animal husbandry/veterinary extension officers –request-reg.

Sir,

It is indeed great pleasure to inform that a training program on “**Backyard Poultry Management**” for the livestock/animal husbandry/veterinary extension officers involved in poultry extension, propagation and development is being organized by ICAR-Directorate of Poultry Research in collaboration with MANAGE, during **19th – 23rd February 2019**. This Directorate has been actively involved in conducting research in the field of Poultry Science including Genetics and Breeding, Nutrition and Health for overall genetic improvement of chickens and development of chicken varieties suitable for backyard or free range poultry farming in rural, tribal or peri-urban areas in India.

The training programme is aimed at updating the knowledge and recent advancements in the backyard poultry production system and its management for the livestock/animal husbandry/veterinary extension officers. The participants will be exposed to various aspects of poultry breeding, nutrition, management, health, farm and hatchery operations with special reference to backyard poultry production.

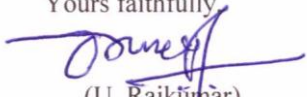

**The TA has to be borne by the respective nominating State livestock/Animal husbandry or Veterinary Departments. However, all the participants will be provided lodging and boarding facilities free of cost.** The number of participants is limited to a maximum of 20. Further, it is to inform that the registration for the said training program will be given on first cum first serve basis; however due care will be taken to accommodate participants from different states. Hence, it is requested to nominate one or two officers who are actively involved in extension, management and propagation of poultry at field level.

The last date for receipt of nominations is **5<sup>th</sup> February 2019** and the confirmation will be sent by **10<sup>th</sup> February 2019** by e-mail. All are requested to provide e-mail ID and telephone numbers (mobile and fax) for effective and fast communication. The nominations may be sent through proper channel in the enclosed proforma with the approval of the competent authority to the course coordinators. For further information please contact the Course coordinators at the following address.

1. Dr. Santosh Haunshi, Principal Scientist  
E-mail: santosh575g@gmail.com, mobile: 8919454875
2. Dr. S. P. Yadav, Principal Scientist  
E-mail: yadav.satyapal@gmail.com, mobile: 9705991774

Looking forward for your co operation for the success of the programme.

Thanking you,

Yours faithfully,  
  
(U. Rajkumar)
