(The Participating Institutes of technician (T-1) Exam-2016)

Sub:- Re-examination for the post of Technician (T-1) 2016, on 24/06/2018-reg.

Sir,

1. This is in continuation of the Board's Notice dated 9th April, 2018 regarding online registration of the applicants who had actually appeared in the OMR based Technician (T-1) Examination- 2016 held on 04/09/2016.
2. The Link for this online registration had commenced on 16/04/2018 and was to be closed at 5.00 PM on 15/05/2018.
3. However to enable all such applicants to complete the online registration, the Board has now decided to extend the time limit up to 5.00 PM on 28/05/2018. The date of examination i.e., on 24/06/2018, will remain unchanged. A copy of the Notice dated 14/05/2018 issued by the Board in this regard, is enclosed. The same may also be uploaded on your Institute's website.
4. For online registration, the roll number of the earlier examination is a mandatory requirement. It has been emerging that many of the applicants do not recall or possess any document regarding their roll number and this has resulted in the slow pace of online registration.
5. To facilitate such of those applicants, it has been decided in the Board that all the participating Institutes may facilitate this mandatory requirement by uploading the details of all the applicants (including the roll numbers) who had appeared in the Technician(T-1) Examination held on 04/09/2016, in their respective websites immediately, so that all such applicants are enabled to register online by the extended time-limit i.e. 28/05/2018 (5.00 P.M.).

Yours faithfully,
